

Your Trash is our Treasure!

To help develop our program, we are looking for the following items. If you have any of the following and would like to make a little more room in your garage, you may bring donations to the studio or contact Amy at 804-379-2600 and we will come to pick up your donations.

Unless noted, your donations may be in any condition.

Items will be used as props for photo shoots and/or as items to look at and draw.
